VENDOR INSURANCE REQUIREMENTS

Page 1 of 2

Revised 04/19/12

- A. Commercial General Liability
Combined Single Limit – \$2,000,000 per occurrence and annual aggregate per location. Such insurance shall be broad form and include, but not be limited to, contractual liability, independent contractor's liability, products and completed operations liability, and personal injury liability. A combination of primary and excess policies may be utilized. (If a Service Contract Agreement applies, policies shall be primary and noncontributory to the extent of Service Contractor's indemnification set forth in Section 8 of the agreement).
- B. Worker's Compensation – Statutory Limits
- C. Employer's Liability
With minimum liability limits of \$1,000,000 bodily injury by accident each accident, \$1,000,000 bodily injury by disease policy limit; \$1,000,000 bodily injury each employee.
- D. Commercial Automobile Liability
Combined Single Limit – \$1,000,000 per accident. Such insurance shall cover injury (or death) and property damage arising out of the ownership, maintenance, or use of any private passenger or commercial vehicles and of any other equipment required to be licensed for road use.
- E. Property Insurance
All-risk, replacement cost property insurance to protect against loss of owned or rented equipment and tools brought onto and/or used on any Property by the Service Contractor, and, prior to completion of the work, and material and equipment which have been incorporated into or which have been delivered to the Building and are awaiting incorporation into the work.
- F. Excess umbrella liability insurance coverage insuring losses in excess of the insurance required under (A) and (D) above up to a total limit of \$5,000,000 on an occurrence basis.
- G. XCU Coverage – The coverage will not be subject to any of the special property damage liability, exclusions, commonly referred to as XCU (explosions, collapse, and underground damage) if the work shall involve the use of explosives, structural alterations to the Building, or underground work.
- H. Waivers of Subrogation – Where applicable, the policy (Commercial General Liability, Worker's Compensation and Employers' Liability, and Umbrella Liability) shall contain waivers of subrogation endorsements which specifically state that the insurer waives any right of recovery they may have against each of the Additional Insured parties named in Par. I below.

- I. Additional Insureds – The policy sections (Commercial General Liability, Automobile Liability, Umbrella Liability) shall each contain an endorsement naming the following as additional insureds verbatim. Specifically, the wording of the endorsement must name all of the foregoing as additional insureds as respects any liability arising out of your work whether such work be by or for you. ISO Form CG 2010 (Additional Insured - Owners, Lessees or Contractors), or its equivalent, is acceptable. Alternatively, ISO Form CG2026 (Designated Person or Organization) may be used.
